### **Additional Costs**

Fuel and propane is the expense of the Charterer and must be paid at the end of the houseboat vacation (average \$200/trip). All rentals include one 16' Lund Fishing Boat (motor extra).

For safety reasons, we require that the fishing boat has a motor - 25HP minimum on 49', 58' and 68' and 15HP minimum on 44'. The Charterer may bring his own, or rent one from us. Charterer may also tow their own personal boat and motor, if they prefer. The reason for the extra boat is that in the event of an emergency the Charterer has the ability to do something about it immediately. Having an extra boat along also makes exploring, fishing and touring more enjoyable!

A \$500.00 damage deposit will be added to the houseboat rental. It is retained until the end of the trip and will be refunded to the Charterer less any fuel and propane used, and, of course assuming no damages have occurred.

Cleaning - All houseboats are supplied clean and must be returned clean. An extra charge will be applied for houseboats returned unclean. Cleaning charges:

44' \$200; 49' \$300; 58' \$375; 68' \$500

Recycling and garbage if not separated \$25 charge per garbage bag.

There is a \$75.00 surcharge per pet.

5 and 6-day rental requests are a weekly price. Exception - due to long weekend reservations we may have a 6-day rental available. Contact us for rate and availability.

\*Houseboat Adventures Inc. reserves the right to reserve certain dates for weekly rentals, at their discretion.
